HARBIN FAUX BOIS LAMP by Hwang Bishop Designs

“I am obsessed with this lamp! It always makes a grand statement. It's slightly oversized, and the faux bois finish and gold base add a lot of drama. A simple ivory card lampshade works well in a more modern room; a colorful pleated fabric shade is perfect for clients who love a bolder mix.”

WATERBURY TABLE LAMP/ FERMOIE BEDWYN SHADE by Simon Pearce

“My go-to lamp is the classic, hand-blown glass Waterbury Table Lamp by Simon Pearce. The timeless, clean form works in any décor. While it is always perfect paired with a simple linen Simon Pearce shade, I prefer taking it to the next level by customizing it for my clients' interiors with a carefully selected cotton or linen print Bedwyn Shade by Fermoie UK, available locally from A. Home in Summit.”

ARMATO SMALL TABLE LAMP by Kelly Wearstler for Visual Comfort & Co.

“Right now my favorite table lamp is the Armato Small Table Lamp in stained black metallic ceramic with oval linen shade by Kelly Wearstler for Visual Comfort. I'm in love with the sculptural quality and ethnic vibe of this lamp. Its unique shape adds a ton of character to any space, and the dimmer lets you easily adjust the amount of light to suit your every mood.”
